(Dr Aavula Muralidhar, Dr Sanjay Prabhu, Dr Madhavi Ravindra,Dr Sapna Bathula, Dr Poonam Bhadlikar)

National EC Approved 0n 9ᵗʰ feb 2024

Discussed about present examination pattern theory & practical. **All agreed that examination pattern should be more structured.** Then who ever appears exam, preparation will be good.

Recommendations

1. Change of **practical examination** pattern like DNB exam.
2. **Theory examination** – 50 Questions – 60 min
   a. Single answer multiple choice questions – 25
   b. True or False questions – 10
   c. Fill up the blanks – 10
   d. 1 case scenarios – 5 questions.
3. **Internal theory examination** 2 times (every 6 months) – calculated average marks should be send to IAPAHQ before main examination.
4. **Project details** – fellows have to upload the project details at the time of submitting the exam application form, without this application form **submission not allowed.**
5. **Log book** – upload the log books of all fellows by institutes - every 3 months.
   – Fellows have to upload the Log book at the time of submitting the exam application form, without this **application form submission not allowed**.
6. The above recommendations will be in to force from next exam i.e from August 2024 onwards.
