I have been working in the field of pediatric anesthesia for about 16 yrs.

I have been a trainer and facilitator for “**SAFE PEDIATRIC ANESTHESIA COURSE**” –a course conducted by **Association of Anaesthetists of Great Britain & Ireland (AAGBI)** and **WFSA** under aegis of IAPA/ISA Telangana. It is basically a refresher training in the skills of pediatric anesthesia to the anaesthesiologists who practice in peripheral hospitals.

I have been the facilitator for **VITAL ANESTHESIA SIMMULATION TRAINING(VAST)**, an interactive simulation course in the field of Pediatric and obstetric anesthesia which is conducted by **WFSA & CANADIAN ANESTHESIOLOGIST SOCIETY**.

I have also been to Dhaka, Bangladesh as a guest faculty facilitator and trainer for WFSA-Safe pediatric anesthesia course.

I have conducted & actively participated in several Pediatric & Neonatal airway workshops in the various National and State Conferences.
