Mission & Goals as Treasurer – IAPA

As a candidate for Treasurer of IAPA, my mission is to uphold the financial integrity and strategic vision of the association while fostering inclusive growth, academic excellence, and global collaboration in paediatric anaesthesia. My goals include:

- **Ensuring Transparent Financial Governance:** I aim to implement robust financial systems that ensure accountability, timely reporting, and ethical stewardship of IAPA's resources.
- **Expanding Fellowship & Training Programs:** I will work to increase funding and support for IAPA-accredited fellowships, workshops, and certification programs, especially in underserved regions.
- **Promoting Research & Innovation:** I will advocate for grants and collaborative research initiatives that advance pediatric anesthesia, including multicentric trials and translational studies.
- **Strengthening National & International Partnerships:** I intend to build bridges with global anesthesia societies to bring international expertise and recognition to IAPA.
- **Empowering Young Anesthesiologists:** I will support mentorship programs, travel fellowships, and academic awards to nurture the next generation of pediatric anesthesia leaders.
- **Digitizing Financial Operations:** I plan to modernize financial workflows, including online payment systems, digital audits, and member dashboards for transparency and ease of access.
